

# Pischel Quality Homes

## How We're Different

### STICK-BUILT HOUSE

<p>ENERGY STAR® Certified</p> <ul style="list-style-type: none"> <li>ENERGY STAR Savings: min. 15% up to 30%</li> <li>Pischel Quality Homes savings near 50%</li> </ul>		<p>WA State Energy Code</p>
<p>Built Green Certified</p>		<p>Standard code construction does not address many air quality, energy saving and environmental issues.</p>
<p>High Actual-Performance of Key Energy Savings Components</p> <ul style="list-style-type: none"> <li>"Mistake Proof Verification" training ensures proper installation &amp; performance</li> </ul>	<p>The actual performance of a home can be compromised because of poor installation practices and lack of education for the builder and trade contractors.</p>	
<p>R49 Blown-In Ceiling Insulation</p> <ul style="list-style-type: none"> <li>ENERGY STAR requires R38</li> </ul>	<p>R38 Ceiling Insulation</p>	
<p>Mold/Allergen &amp; Pest Resistant</p> <ul style="list-style-type: none"> <li>Insulated concrete walls and insulated concrete floors set a new standard for structural durability and healthy design.</li> </ul>	<p>Stick built homes are not impervious to moisture. Wood can attract pests and feed mold.</p>	
<p>Eliminates up to 90% of Outside Noise</p>	<p>Eliminates a third of outside noise</p>	
<p>Fire &amp; Disaster Resistant</p> <ul style="list-style-type: none"> <li>Solid concrete floors and exterior walls add security and peace of mind.</li> </ul>	<p>Built to Code</p>	
<p>Superior Indoor Air Quality</p> <ul style="list-style-type: none"> <li>Pischel Quality Homes are some of the most air-tight homes in the nation.</li> </ul>	<p>Pollen, dust mites, and airborne contaminants can't be sealed out in a stick built home.</p>	
<p>14 Seer A/C, 95% Efficient Heat</p>	<p>13 Seer A/C, 80% Efficient Heat</p>	
<p>Energy Trusses on Most Homes</p> <ul style="list-style-type: none"> <li>Allows full insulation height where the ceiling meets the walls.</li> </ul>	<p>Only 4-6" of room to insulate where the roof meets the walls in standard construction.</p>
